REFERENCE

The Reference Collection is an excellent place to start your research to get background information about your topic. Reference includes general encyclopedia (World Book), specific encyclopedia (Encyclopedia of Psychology, Encyclopedia of Gangs), dictionaries, almanacs, atlases, handbooks, and other print materials that will help you get started. Reference materials are for use in the library only and do not check out.

CIRCULATION

Circulation material includes books, CDs, VHS, and DVDs. These materials can be checked out for home use. Books check out for three weeks, audio-visual materials check out for one week. Material may be renewed if no other patron has requested that particular item.

Current, valid EPCC student ID cards serve as library cards at all EPCC libraries. It is strongly recommended that you validate your EPCC ID at the start of the semester.

Materials can be returned to the Circulation Desk or placed in the book drops at any campus library.

Fines for overdue materials are 25¢ per day per item to a maximum of $10.00 per item. Forty days after the due date, Accounts Receivable will place the patron’s registration and graduation records on hold until charges are settled. Patrons with overdue materials will not be allowed to check out additional items until the overdue materials are returned or paid.

The charge for lost library items will be the cost of each item plus a $10.00 per item non-refundable processing fee.

LIBRARIANS

One of the best resources in any library is your librarians. There is always at least one librarian on duty when the library is open. Do not be afraid to ask for their assistance during any portion of your library research. Remember, the librarians are here to help you become independent, lifelong learners, and they will gladly help you learn how to access any of the resources you need. The Mission del Paso librarians are located at the Reference Desk.
